

Office 365: In Practice—Student SIMnet Videos

I have created a series of SIMnet tutorial videos to help students understand different areas of SIMnet. Please feel free to use and share these with your students.

Additionally, **Randy's Office** (see link below to YouTube channel) has other videos that highlight Microsoft 365 products, features, and best practices.

Tutorial Video	Tutorial Video Link
Completing a SIMbook in SIMnet	https://youtu.be/OtRPTVAr1kl
Completing Pause & Practice Projects	https://youtu.be/7vyy8oUq4Fk
Completing a SIMnet Project	https://youtu.be/xYsn9qZW2ic
Completing a SIMnet Exam	https://youtu.be/gwk_sjtuSQo
Completing a SIMpath	https://youtu.be/oWYP8rcW-gg
Microsoft 365: Desktop v. Online Apps	https://youtu.be/UgegW9AZY_I
